10 July 1978

MEMORANDUM FOR: The Director of Central Intelligence
 FROM : Acting Presidential Briefing Coordinator
 SUBJECT : Preparation for 11 July Presidential Briefing

1. With the exception of the [redacted] package the following packages are attached as the possible briefing topics:

25X1

- A. The Soviet View of the Sino-Soviet-US Triangle
- B. FRG-USSR Relations
- C. Jamaica
- D. Soviet Propaganda Study

2. Package A contains two folders. Folder #1 contains your notes, responses to your questions, the talking points and brief. Folder #2 contains background material, the majority of which you have already seen.

3. Package B contains the FRG-USSR Relations and is also separated within the folder relative to material you have seen/not seen before (see note on folder).

4. Package C contains "Jamaica". ORPA has stated that no new information is available since that briefing was prepared.

5. The Soviet Propaganda Study is a subject which DDO has suggested you brief the President on (see enclosed note).
